FCI IGP-FH Declaration Form

Submit copies of your dog's FCI registration and all pages in your scorebook by December 15 of the calendar year before the IGP-FH World Championships you are submitting for. You may use up to four (4) passing IGP-FH titles earned in the previous 12 months. If there is a tie for total points (in the following point system) then the highest pass/fail ratio for ALL IGP-FH trials in the past 12 months will break the tie. If there is still a tie then it will go to total points (from trial scores) of the submitted trials (max 4). If still tied, the spot will go to youngest dog.
